

Locality 1: Chaddesden Community Guide

April – September 2026

Your Community, Your Guide

This community guide provides information on activities, support opportunities and how to contact services. The Neighbourhood / locality model focuses on ways to improve health and well-being for all within communities, whilst supporting community ownership.

Your Neighbourhood team works across Chaddesden Oakwood & Spondon, working alongside residents, connecting people and services, community groups, local councillors and the many other services that work in your neighbourhood, on a daily basis.

We'd really like your feedback as to what you would like to see featured within future community guides, to make it more personal and local to you!

The next guide will be out in October 2026.

To contact your Neighbourhoods Team e-mail: neighbourhoods@derby.gov.uk

Your local libraries need you!

Whether that's to pop along and explore the many books available, or to use their many services. A new service being introduced in the next few weeks are that all libraries are going to have blood pressure monitors that can be loaned out in the same way that books are. To access these you will need to sign up as a member (for free).

Are you a local group who needs a space, would you like to improve your digital skills, or do you have a spare few hours where you might be interested in volunteering.

Derby Libraries are always looking for more volunteers to help us extend the library opening hours. If you are interested, please email libraries@derby.gov.uk and we will send you an application form.

NO PLACE FOR HATE IN DERBY

Derby City Council has launched a city-wide campaign to send a clear and united message that abuse, harassment, bullying and hate have no place in Derby.

As part of the launch, more than 40 organisations across the city have signed a No Place for Hate pledge, committing to take practical and visible actions to challenge hate and support inclusion. These actions include working in partnership with Derby City Council to promote respect, reviewing internal policies, providing staff training on responding to hate crime and harassment, and making public commitments to zero tolerance.

The campaign follows a rise in abusive, threatening and aggressive language, including online abuse directed at communities, colleagues and councillors. In September 2025, Derby City Council resolved to tackle and condemn abuse and hate in all its forms, including racist and misogynistic abuse, homophobic and transphobic language, religious-based hate, and hate directed at disabled people. The No Place for Hate campaign has been developed as a key part of that commitment.

For more information on the campaign please visit <https://www.derby.gov.uk/community-and-living/crime-prevention-community-safety/hate-crime/no-place-for-hate-in-derby/>

Revive Healthy Living Centre, 23 Roe Farm Lane, Derby, DE21 6ET

Telephone – 01332 288700

The revive healthy living centre hosts a range of services, focused on health & wellbeing to improve the quality of life for residents in Chaddesden, Oakwood & Spondon.

Community Conversations / The Community Voice

Chaddesden hosts community conversations during the year. Open to all, the conversation space provides opportunity to ask questions and receive updates from community partnerships and Cllr's about local issues.

Refreshments available.

The next community conversation is:

Wednesday 10th June 2026

Start time – 7pm

Location – Leisure United Centre, Racecourse Park, St Mark's Road, Derby DE21 6AJ

We would like to hear what you think about your local community.

Local Area Coordination

The DCC Local Area Coordinators for Chaddesden work with local people, who want to work out what a good life might look like for them and start to make changes.

Looking for Support?

- Want to change your life but don't know where to start?
- Unsure where to go for help?
- Feeling down, isolated, or lonely?
- Wish you had someone who would listen and be on your side?

Facebook & Instagram @communityactionderby

Community Safety

Anti-social behaviour (ASB) where you live can make life miserable. Report it, and we can deal with it. Derby City Council works in partnership with Derbyshire Constabulary, Derby Homes, and other social housing providers to deal with it.

If you don't live in social housing, report ASB to Derby City Council. Telephone 01332 640000.

If you're a Derby Homes tenant, or the noise or ASB is coming from a Derby Homes tenant or property, report it directly to the Derby Homes ASB team. Telephone 01332 888777.

If your landlord is another housing association in Derby, report any issues to them first before contacting the Council or police.
